## "*Secrets of the Italian Villa*"

What do you get when you combine a sweet Californian wine and hearty Italian tortellini?

—>Strong characters. Unexpected twists. Powerful emotions.

When Gerri's best friend asks for help, she readily agrees to be the substitute house-sitter at an Italian villa, a perfect place to heal her wounds, having just discovered that her deceased husband had been an adulterer. There, on romantic Lake Como, she succumbs to the seductive advances of Kate, one of the villa's rental guests from California. However, the amorous pair, turn amateur sleuths, when they uncover the villa's dark secrets, and discover that Gerri's destiny has led her there for a reason.—It's a love story about coming out and coming home.
